VOLUME 2, NUMBER 6—AUGUST 2010

New Garden Patio Provides A Special Intimate Area For Lattice Inn Guests

Sometimes you just want to get away and shut out the outside world. Thanks to the addition of a patio in the garden area, this new and intimate space is the perfect setting for just such an exercise.

Construction of the new patio was prompted by the frustration of having chair legs sink into the damp earth. The new patio adds a special dimension to an already intimate and refreshing area here at The Lattice Inn, and just steps from the pool and hot tub!

Birders will find it the ideal place to enjoy our wide variety of feathered creatures. Already this summer, the area has been frequented by Ringneck Doves, Blue Jays, Mockingbirds, Thrush, and Robins. A rare Woodpecker has been spotted as it enjoyed a virtual feast in the bark of a nearby Pecan tree.

Excessive Summer Heat Breaks Area Temperature Record

In August, Montgomery broke a long-standing record of the most number of consecutive days with a temperature above 90 degrees! And each day after that record was broken, a new record is set, with little relief in sight for several weeks.

The salt water pool provides a wonderful respite from the heat, so don't let the near 100-degree temperatures deter you from a visit to The Lattice Inn.

Swimmers Beat The Heat In Our Pool

Thanks to an idea from the manager of El Rey Buritto restaurant, local residents have found relief from the heat with a refreshing quick dip in our pool.

For just \$5 an hour per person, swimmers can enjoy the pool, hot tub, and three sun-decks. Guests must provide their own towels and are welcome to BYOB. Wi-Fi is available at no additional cost. For more info, please email: info@thelatticeinn.com. Put SWIM in the subject line.

Discounts For Gulf Beach Visitors

Adverse national media publicity continues to plague our friends and colleagues along the Gulf Coast, resulting in a significant downturn in their business. Since the summer season is considered to be the primary source of revenue for many tourist related businesses, some are on the verge of shutting their doors because of the BP oil spill in the Gulf.

Here at The Lattice Inn, we empathize with these businesses and we're doing our part to encourage visitors to enjoy the pristine beaches along Alabama's "Redneck Riviera" (aka Gulf Shores and Orange Beach).

Tourists who have booked lodging along the Alabama gulf coast, and who want to spend a day or two here in Montgomery on their way down to the beach or their trip back home, we're pleased to offer special rates at The Lattice Inn.

For a single night stay, gulf visitors can enjoy 10% off our regular rates. For two-nights or more, gulf visitors can enjoy a 15% discount! Proof of lodging or a reservation for lodging is required. For more info, email: info@thelatticeinn.com. Put "Gulf" in the subject line. Some restrictions apply.
